Professor Henry Wolkowicz  
Dept. of Combinatorics & Optimization  
University of Waterloo

Dear Henry:

I would like to personally congratulate you on your outstanding performance in scholarship, teaching and service in 2019. Vice-President Academic and Provost James Rush has announced you as one of the well deserved winners of the 2019 Outstanding Performance Awards. The awards, which were established in 2005, reward faculty members for outstanding contributions in teaching and scholarship. You will receive a special salary increase as a result of this award.

Thank you again for your outstanding efforts.

Sincerely,

Kevin Hare  
Interim Dean
